Dear Mr. Lucy:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Your response states that AFSCME PEOPLE believes that it is not required to allocate its fundraising costs and that AFSCME PEOPLE'S federal account is the sole source of funds for its non-federal account. Please be advised that 11 CFR §106(b)(1) requires Separate segregated funds that make disbursements in connection with federal and non-federal elections to allocate Administrative, Fundraising and Generic voter drive expenses. The allocation regulations require these expenses to be paid entirely out of the federal account and allow for a transfer-in from the non-federal account for the non-federal share of the expenses. The allocation regulations ensure that the federal account pays its share of these expenses. Further, 11 CFR §104.10(b) requires the disclosure of allocable expenses.
